

Winter Riddles

From brainpuzzles.games

1.

I'm built in the cold with a carrot for a nose,
and I quietly cry when the sun comes out.
What am I?

3.

No two of us are ever exactly alike, and we
fall without making a sound. What are we?

5.

I only run when I'm heading downhill over
snow. What am I?

7.

Overnight, I paint feathery patterns on your
windows. What am I?

9.

Bears do me all winter long, and honestly, it
sounds wonderful. What am I?

11.

I wrap around your neck like a long, soft,
warm snake. What am I?

13.

I'm a house built from the very thing that
makes houses cold. What am I?

15.

Feed me wood and I'll warm the whole room
while the storm howls outside. What am I?

2.

I grow downward from the roof, sharp and
clear as glass. What am I?

4.

We're a cozy pair that hug your hands all
winter. What are we?

6.

I'm warm and brown, and I'm at my best with
tiny white marshmallows floating on top.
What am I?

8.

I'm the biggest bear of all, and my white coat
matches my icy home. What am I?

10.

I have blades but I'm not a knife, and I glide
across frozen water. What am I?

12.

Lie down in the fresh snow, wave your arms
and legs, and you'll make me. What am I?

14.

I wear a tuxedo every day, I never fly, and I
love sliding on my belly. What am I?

16.

I'm a snowstorm with a very windy temper.
What am I?

17.

I look like headphones, but the only thing I play is warmth. What am I?

19.

Roll me and I grow. Throw me and I burst. What am I?

21.

I hang in the closet all summer, patiently waiting for my season. What am I?

23.

I clear the snowy roads with my big metal smile. What am I?

25.

Where do snowmen keep their money?

27.

The warmer my room gets, the smaller I become. What am I?

29.

What do snowmen wear on their heads?

31.

How many sides does a snowflake have?

33.

'Dp + Ø=Ü_

35.

Ø>ÝÊ + &ðp

37.

No two snowflakes are exactly alike.

18.

The two of us run side by side down the mountain, but we never race each other. What are we?

20.

After every big snowfall, I scrape and lift until the driveway shows again. What am I?

22.

I'm water that got so cold it simply stopped moving. What am I?

24.

Why did the snowman turn down an invitation to the sauna?

26.

I have no legs, but when winter ends I run down the hill all day. What am I?

28.

At what temperature does water freeze?

30.

Which animal sleeps through most of the winter?

32.

What's a snowman's favorite snack?

34.

'Dp + Ø<ß

36.

Ø>ÝÊ + Ø=Þ¢

38.

Penguins live at the North Pole.

39.

Count the snowflakes in this picture.

41.

I nip at fingers and noses that stay out too long in the cold. What am I?

43.

I keep your cocoa hot on a freezing day, and I fit right inside a backpack. What am I?

45.

I am a soft knitted cap that keeps your head toasty all winter. What am I?

47.

I am a wall of packed snow that kids build to hide behind in a snowball fight. What am I?

49.

I am the coldest season, when the days are short and the nights are long. What am I?

51.

The wind piles me into a tall heap against the side of the house. What am I?

53.

I'm rain that half froze on the way down, so I sting when I hit you. What am I?

55.

Trucks scatter me across icy roads so cars don't slide. What am I?

57.

I have antlers and hooves, I live in the frozen north, and I'm famous for pulling a certain sleigh. What am I?

40.

How many circles make up this snowman?

42.

I am every kid's wish on a snowy school morning. What am I?

44.

I appear in front of your face on a cold day when you breathe out, like a little cloud. What am I?

46.

What did the children use for the snowman's nose?

48.

In summer I am water you can swim in, but in deep winter I turn hard enough to walk on. What am I?

50.

What do you call a snowman with rock-hard abs?

52.

Cars drive over me and the day warms up, so I turn gray and mushy. What am I?

54.

I carry tired skiers back up the mountain while their feet dangle in the air. What am I?

56.

I have skis in front and a track in back, and I roar across the snow. What am I?

58.

What do you call a snowman in the middle of July?

59.

What do you call a dog that shivers in the cold?

61.

Where do snowmen go to cast their ballots?

63.

How does a snowman let you know he is upset with you?

65.

What did one snowman say to the other across the yard?

67.

I look exactly like plain wet pavement, yet I am the sneakiest and most dangerous ice a driver can meet. What am I?

69.

I circle a hockey rink between periods and leave a fresh sheet of glassy ice behind me. What am I?

71.

I begin as a whisper of loose snow high on a peak, then thunder down the slope and bury everything in seconds. What am I?

73.

In the far north I am ground that stays frozen solid all year long, even when summer comes to visit. What am I?

75.

I strike so fast, dumping heavy snow and fierce wind, that drivers suddenly cannot see the road at all. What am I?

60.

What do you call a snowman's pet dog?

62.

What do snowmen take when they catch a cold?

64.

What is a snowman's favorite Mexican food?

66.

What do you call a snowman after a long warm afternoon?

68.

I am a river that forgot how to hurry, a mass of ice creeping downhill for centuries and carving valleys as I go. What am I?

70.

On the coldest clear nights near the poles, I ripple across the sky in curtains of green and pink, yet I make no sound. What am I?

72.

I cut a hole in a frozen lake, drop a line through it, and wait in the cold for a bite. What am I doing?

74.

Chop the first letter off a cold shiver, and a chill becomes a great place to go sledding. What word do you get?

76.

What do you call a snowman who is always telling tall tales?

77.

I ride inside a car's engine all winter so the water in there never freezes solid. What am I?

79.

I float on your cocoa like a tiny white raft, and the longer I stay the smaller I get. What am I?

81.

I am a bird as white as the snow I hunt over, and I stay wide awake on the coldest nights. What am I?

78.

I get swapped onto a car's wheels every winter so it can grip the slick, icy roads. What am I?

80.

I am a rare spotted cat of the high cold mountains, and I wrap my thick tail around myself like a scarf. What am I?

82.

In a hard freeze I can burst right inside your walls, because the water in me expands as it turns to ice. What am I?

Answer Key

Winter Riddles, from brainpuzzles.games

1. A snowman.
2. An icicle.
3. Snowflakes.
4. Mittens.
5. A sled.
6. Hot chocolate.
7. Frost.
8. A polar bear.
9. Hibernation.
10. Ice skates.
11. A scarf.
12. A snow angel.
13. An igloo.
14. A penguin.
15. A fireplace.
16. A blizzard.
17. Earmuffs.
18. Skis.
19. A snowball.
20. A snow shovel.
21. A winter coat.
22. Ice.
23. A snowplow.
24. He didn't want a meltdown.
25. In a snow bank.
26. Melting snow, a little stream of meltwater.
27. An ice cube.
28. 0 C or 32 F. Water freezes at 0 degrees Celsius, which is 32 degrees Fahrenheit.
29. Ice caps. Ice caps. It's a pun on the polar ice caps.
30. A bear. Bears settle into dens and sleep through most of the cold season.
31. Six. Snowflakes grow as six-sided crystals because of how water molecules bond.
32. Ice krispies. Ice krispies. Anything warm is strictly off the menu.
33. Snowshoes (snow + shoe).
34. A snow globe (snow + globe).

35. An iceberg (ice + mountain).
36. An icebreaker (ice + ship).
37. True. Each snowflake takes a slightly different path through the clouds, so its crystal grows a unique shape.
38. False. Wild penguins live in the Southern Hemisphere. The North Pole belongs to the polar bears.
39. Five. There are five snowflakes drifting across the picture.
40. Three big circles. The body is three stacked circles. The two tiny dots are just his eyes.
41. Frostbite.
42. A snow day.
